### START Changes Red Line to Teton Village

Jackson, WY – When the winter START Bus schedule begins on November 27<sup>th</sup> there will be a major change to the Red Line route to Teton Village making it necessary for some riders to wait on the opposite side of the street from what they might be used to. The route will now begin at stop #18 Pearl and Jean instead of at stop #1 Snow King.

The Red Line will begin at #18 Pearl and Jean and then head east to; #14 Broadway and Gros Ventre, #10 St. John's Hospital, #6 Redmond and Hansen, #4 Mike Yokel Park. This means that those catching the Red Line to Teton Village at stops from Pearl and Jean to Mike Yokel Park will need to wait for the bus on the opposite side of the street from last year. Past Mike Yokel the only change is the addition of an outbound stop at the corner of Willow and Snow King directly across from the Snow King Center bus stop. This new stop is named #9 Snow King Center.

The Red Line/ Green Line to Teton Village will serve East Jackson between #18 Pearl and Jean and #4 Mike Yokel Park between 5am and 10:30am.

START apologizes for any inconvenience this may cause. Please contact us with any questions or concerns.
