#### Changes to START's Town Shuttle Route Begin Next Week

Jackson, WY – When the fall START Bus schedule begins next Monday, September 26th there will be changes to the free Town Shuttle route. The route will now begin at the Fairgrounds stop, will include the Snow King Center stop and will also include a new stop at Pioneer Homestead.

“We are excited to be able to serve some parts of town that have previously not had service,” said START Director, Michael Wackerly. “We have received a lot of requests to serve Pioneer Homestead and the Senior Center. We are glad that we now have the funding and the equipment to provide this service. I hope we see a lot of people using these new stops.”

The Town shuttle will continue to run every half hour from 6:38am to 8:46pm during the fall. The Town Shuttle will stop at Pioneer Homestead at :16 and :46 after the hour headed towards the Town Square and Albertson's and at :08 and :38 after the hour headed towards Snow King. A preview of the full Town Shuttle schedule can be found on the Home Page of the START Bus website at [www.startbus.com](http://www.startbus.com).

The Town Shuttle had previously begun at Snow King Resort. By adding the Fairgrounds and Snow King Center stops START Bus will better serve those that live along Snow King Avenue.

Please contact START at 307-733-4521 with any questions.
