DID YOU KNOW...

Riding START Bus is a truly green transportation solution. By hopping on the bus you are helping to reduce traffic, pollution and fuel usage. Riding START Bus will not only save you gas money, it will make you part of a community and nationwide movement to ease traffic congestion, reduce resource consumption and protect the environment.

- START uses diesel-electric hybrids on the Town Shuttle.
- An estimated 131,000 gallons of fuel are saved by more than 900,000 annual START Bus riders.
- START Bus shelters are powered with solar energy.
- Over 500,000 less cars were on the road last year because people chose to ride the bus.
